

REMARKS

Applicant acknowledges with appreciation the indication of allowable subject matter in claims 3-9. In response, claims 3, 4 and 9 have been rewritten in independent form and therefore are allowable. Claim 2 has been amended to depend from claim 3. All other claims have been canceled.

Dependent claims 5-8 have been amended slightly to more clearly claim the invention. Applicants respectively submitted that such amendments do not raise new issues and, in fact, the scope of the claims has not changed.

In view of the above, Applicant respectfully submits that this response complies with 37 C.F.R. § 1.116. Applicant further submits that the claims are in condition for allowance. No new matter has been added by this amendment. If the Examiner should have any questions, please contact Applicant's attorney at the number listed below. The Commissioner is hereby authorized to charge any fees that are due, or credit any overpayment, to Deposit Account No. 50-1065.

Respectfully submitted,
